Question 2) What are the aims of the activity (activities) you volunteered with? What are some of the opportunities or limits presented by these aims?

Question 3) Outline the impact of the activity (activities). For example, the activity may have an impact on the university, your fellow students, local, national or international community

Question 4) Describe some of the key things that you have learned from your volunteering experience. These may be specific or more general. For example, you may have learned how to lead a group, set goals, or plant trees.

Question 5) List any positive or negative experiences you have gained as a volunteer.

Question 6) Detail any plans for continued voluntary work.
